## Mobilization And Partnership Strategies

September, 2011

Dear Co-laborers In Christ,

### What glorious days at the pastors conference in India ...

Having just returned, we are rejoicing over the gracious working of God in our midst. Five hundred and fifty-two pastors were in attendance for the week of preaching and seminars! Many others who wanted to come were hindered by natural calamities such as floods in some regions and militant activities in other areas. What a glorious privilege to spend those days with preachers that traveled from all over India, some even crossing the borders from the countries of Myanmar and Nepal. Dr. Dan Hemmes focused on the home, Brother Daniel Van Gelderen assisted in the area of music, and I dealt with leadership. We were glad to also have Brother Dan Eichinger with us. He and Daniel Van Gelderen were a special blessing in their duets and instrumentals.

### Back to India ...

Our family is planning to return to India just before Thanksgiving. We will first be with Dr. Matthew Henry in the state of Andhra Pradesh. During the month of January, we will labor with Dr. G S Nair and the People's Baptist College in Trivandrum located in the state of Kerela. We will spend the next several months in Bangalore located in the state of Karnataka laboring with Dr. Edwin Chelli and the Berean Baptist Bible College. Numerous opportunities also await in co-laboring with several other ministries besides. I am looking forward to plans of travel with Dr. Nair during the month of March to the Punjab and into the Northeast.

### Our Family ...

Elizabeth is in her senior year of highschool and looking forward to attending West Coast Baptist College in the near future. She is already trying to figure out how she can get back to India when school is not in session. Rachel was able to acquire another violin which she will be taking to India and leaving with someone (as she did last year). This violin cost a bit more than the first .... Forty dollars! The Lord has been so gracious in the manner in which He has smiled on our daughters as they have sought opportunities of service. Samantha will be assisting Berean Baptist Bible College as they launch their counseling department. She is likewise looking forward to teaching at the People's Baptist College and ministering among the ladies in the numerous locations where we will be laboring. Samantha will be speaking again at the East Coast Ladies Sword Jubilee on October 27 - 29. It will be held this year in Hagerstown, Maryland at the Emmanuel Baptist Temple. She would be thrilled to see any ladies who can attend.

### Health Concerns ...

Please continue to pray for both Elizabeth and Rachel in regards to their sensitivity to certain unknown allergens. Both have to keep epi-pens (self-injections) with them at all times when traveling. Though Elizabeth's reactions have been the more severe, Rachel has had some difficult moments in recent days.
